Unlocking the secrets of your paycheque [™]!

Hey peeps!

Are you a young employee confused with the numbers on your payslip?

Check this out:

Gross Earnings: Your total earnings before deductions. This includes your basic salary and extra earnings such as bonuses (**shown as R5000** on the payslip example)

Deductions: This includes all amounts deducted from your gross income e.g taxes and retirement contributions (**shown as R1479.86** on payslip example)

Net Pay: This is your net earnings after deductions. Your actual paycheque amount! (shown as R3520.14 on the payslip example)

Period pay: It explains how you often get paid, it could be monthly, weekly or daily.

Understanding your payslip is essential to ensure you're getting paid correctly.

Think of your payslip like a report card for your salary !!
